

## Elevator Speech – Trinity Sunday, June 4, 2023

Today is Trinity Sunday and no better day to highlight one of the Diocese of East Carolina's favorite ministries: Trinity Center.

Trinity Center, for those of you not familiar, is the Diocese of East Carolina's camp and conference center located on Bogue Island. In addition to nine weeks of summer camp that enrolls nearly 600 campers a summer, Trinity supports a thriving environmental education program that reaches nearly 6,000 students and a conference center that hosts nearly 300 groups on an annual basis.

Trinity Center is open year-round and available for use by any number of organizations: hospitals, universities, non-profits, churches and families having reunions all take advantage of Trinity's beautiful location, wonderful food, and comfortable accommodations.

The staff and Board of Managers of the center are greatly appreciative of all the support afforded by the churches and parishioners of the Diocese and look forward to any future partnerships in ministry. Please plan a time to visit; we'd love to see you!
